### Notes

Compilation put together of bands from the Saar area (Germany). Sources were demo- and rehearsal tapes recorded between 1987 and 1995.

Released in a wooden box, painted black with the title stenciled onto the front. Insert with charred edges. Limited to 30 handnumbered copies.

In memoriam of Samuel Yeboah, who was killed in an arson attack on a refugee home in Saarlouis in 1991. The culprits were never found.
